** MMMonVHF webpages down **

Regular users will have noticed that our webpages have been down
for several hours.

Main reason was a security issue at the hosting sever. Not all details
are known but the problem was solved by our webmaster DG2KBC.

As the issue occured while sending an extra edition of the newsletter,
we will send this edition again. At least 40% of the NL did not arrive.

We appologize for the inconvenience.

Happy Eastern!

Frank, PA4EME, on behalf of MMMonVHF
